III_prob form_draft_011112 - PAN.doc

Thanks, I have a better picture of the roll of the scenario. Some edits and comments.

Subject: draft of problem formulation section

Hi Phil,

Attached is the draft Problem Formulation section that Glenn and I have come up with thus far - it would be great if you could have a look and let us know your thoughts/comments/suggestions/etc. My hope is to get through 1 more round of revisions before the Seattle meeting.

Thanks - and just let me know if you have any questions.

Kate
